MEMORANDUM FOR THE RECORD

1. Several months ago my mother (age 85) and my aunt, Mrs. [redacted] (age 82), informed me that one of the dining room hostesses at the [redacted] had said she was looking for Government employment, and they suggested that she apply at the CIA because I was Deputy Director there. The lady was known to my mother and my aunt as [redacted] I vaguely recall having seen her once or twice in the dining room of the [redacted] [redacted] acting as a hostess. I have had no other contact with her nor do I know anything about her. I did inform Personnel that she would probably apply for employment and to consider her as with any other applicant. This was done through [redacted] my Executive Assistant.

2. I was subsequently informed that the Office of Security was totally enchanted with [redacted] and intended to hire her as a receptionist. I asked Personnel if I could inform my mother and my aunt, and they said this was perfectly all right, it was just a matter of form and they had already written to [redacted] I so informed my aunt. I did not contact [redacted] nor did I inform my mother.

3. Further than the above, the deponent sayeth not.
